

(The Climate and Pollution Agency)

**Permit to an Enterprise pursuant to the Pollution Control Act
For
TWMA Norge AS, Mongstad Division**

The permit is granted pursuant to Section 11, cf Section 16 (and changed pursuant to Section 18) of Norwegian Act No 6 of 13 March 1981 relating to protection against pollution and relating to waste and Section 11-6 of the Regulations relating to the recycling and treatment of waste (the 'Pollution Control Regulations'). The permit is granted on the basis of information provided in the application dated 18 June 1998 and information that emerged during consideration of the application. The conditions are set out on pages 2 to 12 inclusive [in the Norwegian original].

The permit is valid from 23 December 1999, with subsequent changes.

The enterprise must clarify in advance with the Climate and Pollution Agency any changes that it wishes to make regarding the information provided in the application or that arose during consideration of the case, which may have environmental consequences.

If all or significant parts of the permit are not taken into use within four years of its entry into force, the enterprise must send a report about the scope of the activity to the agency so that we can consider any changes to the permit.
